REBUILDING LIVES

MARY'S SONG

RESTORATION CENTER  
FOR WOMEN

And Mary said,

"I'm bursting with God News; I'm dancing the song of my Savior God. God took one look at me, and look what happened, I'm the most fortunate women on earth."

*“THEREFORE, IF ANYONE IS IN CHRIST, HE IS A NEW CREATION. THE OLD HAS PASSED AWAY; BEHOLD, THE NEW HAS COME.” 2 CORINTHIANS 5:17 (ESV)*

## THE VISION

For each student to know Jesus and make Him known to others! To be filled with the power of the Holy Spirit, transforming their hearts and renewing their minds with the washing of the Word of God. To know that they will not be an addict all their lives but will be changed into a new person as it is written in:

**2 Corinthians 5:17**

**“Therefore, if anyone is in Christ, he is a new creation; old things have passed away; behold all things have become new.”**

## THE PROGRAM

Many women are trapped in a world of hopelessness, held in the bondage of drug and alcohol addiction, resulting in an endless nightmare of low self esteem and self destruction. Mary’s Song Restoration Center for Women offers an opportunity to permanently change lives by showing the women love and a future full of hope.

Located in Metairie, Mary’s Song is an exclusive rehabilitation facility specializing in the treatment of women ages 19 to 60 who suffer from primary substance abuse and alcohol problems. Mary’s Song provides a multi-faceted and personal alternative to standard drug and alcohol rehabilitation programs. We evaluate each woman’s needs and design a personal outline of immediate and long term goals to establish permanent growth and freedom from addiction.

Housing only 10 women at our facility enables us to provide a “homey” atmosphere with ample access to Pastoral counselors and Belief Therapists tailored to fit each woman’s personal needs. While attending Mary’s Song the women are taught to live a disciplined lifestyle according to Christian principles, rebuilding relationships with their families and children.

Mary’s Song is focused on individual attention, personal relationships and care of the whole woman. Mind, soul and body. We educate our students on nutrition, and the Bible. The Mary’s Song experience is designed to equip each individual in a way that provides them with the structure and support they will need to continue a life free from substance dependency.
